What will black mulch do for my landscape?

■ WHAT ARE THE BENEFITS OF USING TRIPLE GROUND PREMIUM BLACK MULCH?

- **Superior Appearance!** Triple Ground Premium Black Mulch vividly defines and contrasts the colors in your flower beds providing a sophisticated look to your landscape.
- **It is great for your garden!** Holds moisture, protects plants from freezing and helps to prevent weed growth.
- **It is a naturally aged dark ground cover!**
- **100% Premium Hardwood!** Longer lasting compared to softwood mulches and improves overall growing conditions for your landscape!

■ WHAT CAN I USE THE TRIPLE GROUND PREMIUM BLACK MULCH FOR?

Triple Ground Premium Black Mulch can be used anywhere in your landscape as a decorative ground cover. Using this mulch actually slows evaporation and helps control weeds!

■ HOW DO I USE TRIPLE GROUND PREMIUM BLACK MULCH?

On the first application you apply a layer approximately 3" - 4" deep. This will block out sunlight and helps to prevent weed growth. After the initial application, top-dress your beds with a 1"-2" layer.
